PSYCHOLOGICAL STRATEGY BOARD WASHINGTON, D. C.	
August 28, 1953	
MEMORANDUM to The Psychological Strategy Board SUBJECT: PSB D-23 "U. S. Psychological Strategy Based on	25X6
Attached is a draft revision of this paper, prepared in consultation with the member agencies in accordance with NSC Action No. 884, for consideration at the PSB meeting of September 2.	n
The revisions drafted to correspond with the comments of the Joint	
Chiefs of Staff and the changes proposed by the Central Intelligence	
Agency are principally concerned with relative emphasis and	25X6
Indochina; this is reflected in the proposed change in the title of the	
paper, and throughout the Phase I portion. There have also been change	5
in assignment of tasks due to the reorganization and separation of the	
International Information Administration into the operationally indepen	-
dent United States Information Agency.	
There has been some delay in the preparation of a completed Finan-	
cial Appendix as required by the NSC Action. I hope to forward this	
separately before the PSB meeting.	
Acting Director	25X1A
